 Please put your name in the reference field so we can identify your payment

**ABOUT THIS FORUM**

Kicking off the first forum of 2023 we will see the first two instalments from our 'Concrete 101' series, which seeks to shed some light on the fundamentals of key rigid pavements topics. **Todd Myers** (TSM Civil) will present on **Tiebars**, with **John Hodgkinson** (AM) seeking to answer the perennial question – **To dowel, or not to dowel.**

**Jamie Egan**, President and **Craig Heidrich**, Executive Director will conduct the **16th Annual General Meeting** for the Australian Society for Concrete Pavements.

**Simon Ouk** (Huesker) will talk to the latest developments in **reinforcing grids for applications over concrete pavements** followed by **Peter Bryant** (QTMR) providing an update from the Queensland Department of Main Roads.

**Sam Henwood** and **James Allen** (TfNSW) will continue with updates from Transport for NSW and an exploration of some recent learnings in the field of **rigid pavement drainage.**

**Jamie Egan** will provide an update from ASCP including an update on planning for the 2023 ASCP Conference.

**CONTINUING PROFESSIONAL DEVELOPMENT**

Attendance at this event may be eligible for credit towards Engineers Australia and other organisations' Continuing Professional Development requirements.

**ASCP CORPORATE MEMBERS**

ASCP **Corporate Members** support our aims and objectives and contribute through participation, sharing of technical and industry information, and financial contributions.

**Corporate Members** are entitled to representative members, discounts on other memberships and event fees, discounts on Grey Card course fees, and discounts for exhibition spaces at events. They are recognised on our web site, event brochures and newsletters.

To become an ASCP **Corporate Member**, visit our website [HERE](#) and select the 'Sponsor' tab.
