QUARRY TOUR INFORMATION

The ASCP in conjunction with Gunlake Quarries are holding a Quarry Tour of their Gunlake site in Marulan, NSW. The tour will be led by Quarry Manager, Vince Matthews.

This special one-off event has been curated for **young engineers** who are interested in expanding their knowledge surrounding quarries and quarry materials.

Date:
Friday - 12th April 2024

Time:
11:00am - 3:00pm

This tour will be capped at a 20-person maximum.

ASCP MEMBERS ONLY!

Normal PPE must be worn. There will also be free on-site parking for attendees.

We would like to thank Vince and the team at Gunlake Quarry for allowing us the opportunity to tour their facilities and learn more about their quarry operations.

ABOUT GUNLAKE QUARRY

Gunlake Concrete and Gunlake Quarries are an industry leading supplier of construction materials to the Greater Sydney region. The Gunlake Group are a proudly Australian owned, family company spanning four generations in the quarrying and concrete industry in Australia.

Beginning with one concrete plant and plans for a quarry in 2007, Gunlake Group has grown to five operational concrete plants and another plant under construction. The quarry is now consented for 2 million tonnes per annum and services the concrete, asphalt, civil and infrastructure markets.

Gunlake Quarries is a supplier of premium quarry materials across New South Wales. Gunlake Quarries is proud to deliver premium aggregate to Gunlake Concrete, as well as some of NSW's largest infrastructure projects.

The Gunlake Group also includes Rollers Australia, which owns and operates over 300 pieces of earth-moving equipment, predominantly in NSW and Queensland, supplying services to many local and regional Councils.

REGISTER NOW

Book your place NOW in what is expected to be an interactive and educational event. Attendance of young engineers at this event is strongly encouraged.

ASCP would like to thank Gunlake Quarries for their support and granting ASCP members the chance to understand operations at this site.
