Direct credit
 Pay directly to ASCP St George Bank Account BSB: 112 879 Account No: 155 778 722 Please put your name in the reference field so we can identify your payment.

ABOUT THIS FORUM

The September 2024 ASCP Pavement Technical Forum will feature speakers across the full spectrum of the concrete paving industry, with topics as widely varied.

The morning sessions will see Peter Carson (Carson Group) deliver a Holbrook Case Study on Concrete Overlay Performance, followed by Mohammed Ibrahim Mostazid (UNSW PhD Student) walks us through Developing Accelerated Tests Criteria for Assessing Geopolymer Concrete Durability.

After morning tea, **Frank Grech** (Kaysand) presents 'Kaysand- Manufactured Sand. Next, James Walker (TfNSW) delivers the highlights and learnings from ISCP 2024, which will lead into our networking lunch.

After lunch, Shane Dunstan (ARAN) and **Willem De Bod (Rolco)**, will provide an overview of 'Roletr Compacted Concrete- US Experience. Succeeding Shane, Principal Pavement Engineer Stephen Hulka (WSP) will explore the technical challenges and solutions face on M6 Stage 1, followed by Stuart Neilsen (Enviromesh) will provide an overview of 'Enviromesh', including project case studies of the product in use.

Tim Buckingham-Jones (ASCP) will then provide a general update and address any recent or upcoming ASCP news.

CONTINUING PROFESSIONAL DEVELOPMENT

Attendance at this event may be eligible for credit towards Engineers Australia and other organisations' Continuing Professional Development requirements.

ASCP CORPORATE MEMBERS

ASCP Corporate Members support our aims and objectives and contribute through participation, sharing of technical and industry information, and financial contributions.

Corporate Members are entitled to representative members, discounts on other memberships and event fees, discounts on Grey Card course fees, and discounts for exhibition spaces at events. They are recognised on our web site, event brochures and newsletters.

To become an ASCP Corporate Member, visit our website [HERE](#) and select the 'Sponsor' tab.
