Please put your name in the reference field so we can identify your payment.

ABOUT THIS FORUM

The June 2025 ASCP Pavement Technical Forum will feature speakers across the full spectrum of the concrete paving industry, with topics as widely varied.

The morning sessions will see Jun So (Acciona) deliver an update on the Design and Construction Challenges of SFCP for Coffs Harbour Bypass Project followed by Priyam Thakkar (Ferrovial Constructions CHBJV) discussing a Contractors Perspective of CHBP SFCP which will lead into morning tea.

After morning tea, Brendan Leader (NTRO) will present on the widening on concrete pavements followed by Matt Eifermann (Eifers) which will lead into our networking lunch.

Succeeding lunch, Graham Foley (Graham Foley and Associates), will outline Melbourne's Rigid Pavement – Early to Late C20th. Following on from lunch, Simon Keane (Aurecon) will dive into the Transurban Rigid Pavements Asset Overview. To conclude the day Michael Moffat (NTRO) will deliver an update on the upcoming NTRO Conference along with AGPT:02 updates

Caleb Hayde (ASCP) will then provide a general update and address any recent or upcoming ASCP news.

CONTINUING PROFESSIONAL DEVELOPMENT

Attendance at this event may be eligible for credit towards Engineers Australia and other organisations' Continuing Professional Development requirements.

ASCP CORPORATE MEMBERS

ASCP Corporate Members support our aims and objectives and contribute through participation, sharing of technical and industry information, and financial contributions.

Corporate Members are entitled to representative members, discounts on other memberships and event fees, discounts on Grey Card course fees, and discounts for exhibition spaces at events. They are recognised on our web site, event brochures and newsletters.

To become an ASCP Corporate Member, visit our website HERE and select the 'Sponsor' tab.
